

INFORMATION FOR APPLICANTS

Applications to join the Pre-Preparatory School in September 2020 **at age 3+** **(Children born 1 September 2016 – 31 August 2017)**

Thank you for your enquiry about admissions. We recommend that the first step for all parents is to check our website: www.highgateschool.org.uk. The next step, unless you have other children currently in the Pre-Prep, is to visit the school. Please contact the office before you submit your application to book a place on one of our parent tours. We strongly recommend that you do not bring children on the tour as they may become distracted and numbers are strictly limited.

An application form should be submitted within the time period shown below. Any supplementary information you are able to provide on the form will greatly assist us. **No fee is required at this stage**, but payment of our standard registration fee will be requested in due course from those whose applications are accepted for registration.

Your child's date of birth	Earliest date you may apply	Closing date for applications
1 September 2016 – 31 August 2017	1 March 2019	31 May 2019

Please note that we are not able to consider applications received before or after these dates.

During September 2019 we will write to all applicants to advise whether their application can be accepted, and a registration fee is payable at this stage. Applicants accepted for registration will be invited to attend an assessment between January and February 2020 for the expected 40 places available in the Nursery. It is our intention to send out offer letters by mid-February 2020. As you may know, due to the popularity of the Pre-Prep we have a very high level of oversubscription for places. Disappointed applicants are welcome to apply for a place at Highgate School for entry at age 7+, 11+ and 13+ when more places will be available and there is no limit on applications.

Thank you for your interest in Highgate School. We look forward to receiving your application.
