Notes (which may affect your decision as to whether or not to proceed with this application)

- a) *While we give careful consideration to previous connections with the School, and regard them as a relevant factor, it must not be assumed that brothers or sisters of current students will be offered places. Each applicant is considered equally on his or her merits.*
- b) *We believe it is fair only to offer places to children who, subject to our normal Terms and Conditions, intend to remain in the Pre-Prep until age 7 and hope then to transfer to the Junior and Senior Schools. Please note this is not, however, automatic.*
- c) *If there is anything further you wish to add in support of your child's application you are welcome to send it on an additional sheet with this form.*
