

Welcome

About Highgate

Highgate is an academically selective, co-educational day school. It comprises three schools in one:

Pre-Preparatory School for pupils aged 4-7

Junior School for pupils aged 7-11

Senior School for pupils aged 11-18

A culture of community, kindness and belonging

Highgate is a caring, open-minded community, where we promote kindness, empathy and friendship. Everyone who works and studies with us deserves to feel they are part of a welcoming environment that enables them to be themselves and to thrive as individuals.

Our community extends beyond the school, through partnerships, charity work and our commitment to equality, inclusion and sustainability. All members of our school community are encouraged to look outwards and play an active role.

In a recent ISI inspection (Dec 2021), it was noted that *“Pupils show exceptional respect for, and appreciate diversity within the school and wider community, and their own and other cultures, demonstrating sensitivity and tolerance to those from different backgrounds and traditions.”*

Charitable work and sustainability

As an independent school, we want to use our position as a charity effectively: to make high-quality education accessible to as many children as possible – through our bursary programme at Highgate and through our work with local state schools. We have partnerships with over 60 state schools, and we are the principal educational sponsor for London Academy of Excellence, Tottenham – an academically-selective state sixth form in a community where such opportunities are lacking. Alongside this, our staff and pupils undertake charitable activities.

As a school, we have a central role to play in educating our pupils, staff and parents about the importance of environmental sustainability. We are taking positive action to adapt our operational performance to tackle the negative effects of climate change.
